

Statewide Database Licensing Intent to Participate (ProQuest)

☐ **YES**, my library will participate in the Statewide Database Licensing Project subscription from ProQuest Information and Learning Company. We agree to pay our share of the cost, which will be significantly lower for most participating libraries.

☐ **NO**, we are not going to participate in the Statewide Database Licensing Project at this time.
Please contact Karen Forsyth (kforsyth@secstate.wa.gov or 360-570-5587) so we can be aware of your concerns.

I understand that this subscription covers a 12-month period from July 1, 2005 through June 30, 2006 and during this period participating entities in Washington State will be billed by ProQuest Information and Learning Company for approximately half the cost of providing these databases. The remaining costs will be paid with Library Services and Technology Act funds from the Institute of Museum and Library Services administered by the Statewide Database Licensing Project.

I understand that by agreeing to participate in the Statewide Database Licensing contract for ProQuest, I am agreeing to pay my share of the total cost once my library receives a bill for our portion. I also agree that my library will comply with the terms of the ProQuest license agreement as modified for the State of Washington and posted on the WSL SDL web site.
